1. During the period from 10 to 17 September, the Kavallerieschule in Krampnitz near Potsdam (N 53/Z 63) was occupied by 1,200 to 1,500 troops belonging to training units. [Redacted] individual advance parties arrived in the installation on 16 and 17 September. One of the parties had truck C 7-97-51 with billeting equipment. The bulk of the troops were allegedly to return after Monday, 22 September. Bathing facilities for allegedly two high-ranking officers named Brasnikov (fnu) and Lubyenko (fnu) were installed in one of the quarters. The training units practiced with 80-mm mortars, tanks in the tank sheds and engaged 25X1 in athletic exercises. [Redacted]

3.

[redacted] the Kavallerieschule was  
thoroughly reconditioned and renovated including plumbing and recreation  
facilities. The first boiler of the central heating installation was fired  
up for the first time on 25 September. Uniformed women policed the quarters  
of the troops. Wooden boards were removed from the windows and the kitchens  
prepared. Most of this work was done in the eastern section of the installation.  
Straw mattresses were filled in front of a quarters. Luggage and typewriters  
were unloaded in front of the club building on the Potsdam-Berlin Highway No 2  
on 24 September. On 25 September, numerous uniformed women policed the kitchen  
and other buildings of the central section of the installation. [redacted]  
that more uniformed women were at the installation than were observed previously.  
The German workers had to work one hour overtime to have the necessary work  
completed in time. [redacted]

5.

On 19 and 20 September, there was not much activity in the Kavallerieschule. Two  
T-34 tanks and 15 trucks were seen in the western section of the billeting area.  
An officer and 40 men organized into two groups and equipped with spades and  
submachine guns marched out of this section of the installation and proceeded  
toward Bullenwinkel. [redacted]

Comment.

25X1

25X1

[redacted] it can be concluded that no changes occurred regarding the distribution in Potsdam of the individual units and strength of troops in the individual installations.

25X1

25X1

[redacted] The preparations in Krampnitz for the arrival of units of the 10th Gds Tank Div are confirmed by reports on transportation, according to which three troop shipments returned to Satz Korn from the Letzling Heath on 26 and 27 September 1952. Elements of the 63d Gds Tank Regt of the division mentioned above arrived in Brandenburg from the Letzling Heath on 25 and 27 September. [redacted] Brasnikov (fnu) is known as major general and commanding officer of the division, Iubyenko (fnu) who is reported for the first time, may be chief of staff of the division.
